Rates: At the time of retirement, the buy back rate will be \$35.00 per day times up to the number of unused sick days in existence on August 31, 2007 and which remain unused. For unused sick days accumulated after August 31, 2007, the buy back rate will be \$45.00 per day for each day that is in excess of the August 31, 2007 total at time of retirement.

For example, if an employee has 200 days as of August 31, 2007, and retires on June 30, 2009, with 215 days, he/she will be paid for 200 days at \$35.00 per day and for 15 days at \$45.00 per day. However, if the employee has 200 days as of August 31, 2007, but by retirement on June 30, 2009, has reduced the total number of days to 200 or less, all of the of the days will be paid at the \$35.00 rate and none will be paid at the \$45.00 rate.

6. Teachers hired after the first day of school shall be entitled to ten percent (10%) of the annual allotment of sick days for each month worked in the first year.

B. Extended Leaves of Absence without pay may be provided by the Commission in its sole discretion with each request being handled on a case by case basis.
